DETAILED ACTION

Allowable Subject Matter

1. Claims 1-7,9-19,21-30 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-7,9-19, 21-30 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches an apparatus for reading an image, the apparatus comprising: a reading device with a plurality of photoelectric conversion cells; a data processing system electronically connected to the reading device and receiving electronic information therefrom, logic defining the electronic area as being divided into a plurality of areas, with each area comprising a plurality of pixels and corrects for reading discrepancies in the reading device by applying data correction values, wherein the original is a photographic film, and the predetermined original is a photographic film corresponding or similar to the photographic film of the original, exposed to an amount of light corresponding to an amount of gray in the original, as taught in Claims 1 and 13, respectively, including all of the features recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
